

SAACS Meeting - September 1, 2004

- Meet and greet each other
- There were eighteen (18) students in attendance and six (6) professors present.
- We began with discussing how to become an official NKU organization

National Chemistry Week (October 18-23rd)

- Mole Day October 23rd
- Library demos

October 11, 2004 – Ft. Thomas Branch 4 P.M.

October 12, 2004 – Newport Branch 4 P.M.

October 14, 2004 – Cold Springs Branch 4 P.M.

October 18, 2004 – Walton Branch 8 P.M.

October 21, 2004 – NKU SC 308 3 P.M.

- Training for demos on September 30th (further details will be provided)
- Contact Sarah Beetem or SAACS if you are interested in volunteering.

Fundraisers

- Pie Style – pie in the face for the “favorite” faculty member who raises the most money. Each faculty member will have a jar with his or her name on it and whoever collects the most money, gets a pie in the face.
- Pie will be thrown by a student
- The chapter has a verbal agreement from NKU that they will match the funds that are collected.
- If you have any other fundraiser ideas, please contact the chapter.

Guest Speakers

- Having guest speakers from other universities are one of the major functions of our chapter. We plan on having at least four outside speakers this semester.
- If you have any comments about guest speakers please direct them to Eric Ferraris or Noah Meeks

Social Activities

- Movie Night with Tri-Beta is on Friday, September 10, 2004 at 6:30
- We would also like to get together for a football game or for bowling.
- On Friday, October 15, 2004, University of Cincinnati will have the annual Osper Banquet. There will be a poster session before the dinner and dinner will be served from 7 P.M. to 9 P.M. The guest speaker this year is Felice Frankle who is from MIT. The department will pay for half of the cost of the dinner so the cost will be about \$6.00. Please email SAACS if you are interested. This will be a great opportunity to see a speaker!
- SAACS also owns a part of the AA and would like to take the time to clean it. We will be getting together and coming up with a date soon.

Lockers

- SAACS owns the lockers that are right outside of SC400. We will be offering them to students to rent for the semester.
- Full lockers are \$8.00 while half size lockers are \$4.00
- If you are using one or know of anyone who is, they will be asked to either pay for the locker or relocate. Please contact SAACS if that pertains to you.

Tutors

- Tutors are needed for Chemistry and Math. Contact the Learning Assistance Program or go to BEP 230 if interested.

Next meeting is September 15, 2004 at noon in SC300.
Dr. Kempton will be discussing graduate school information!
Hope to see you there.
