8.17.05
Officer Lunch Meeting

Here is the Cliff Notes' version of our meeting.
 There are multiple activities that need to be worked. We need some volunteers for the following activities:

1) Ice Cream Social Booth (Scheduled for **August 24, 2005 at Noon In SC 401):**

Ice Cream - Heather G.
 Toppings – Matt L.
 Drinks – Derek D.

We also need people to work the booth in SC 401

2) Student Organization Rally (Scheduled for **September 7, 2005 from 10-2)**

Would likely need two students at a time that would alternate working the booth. Please check your schedules and let Dr. Bullen or Dr. Walters know if you can make it.
 (F.Y.I 9.7.05 is a Wednesday)

3) Orientation for Student Gov. /Organizations (Scheduled for **September 9, 2005 at Noon)**

This would be similar to the meeting on the Wednesday. We would need a few people to volunteer (hopefully Heather and Matt) to represent SAACS.
 (F.Y.I 9.9.05 is Friday)

4) Tutoring

Thus far the schedule for tutoring is Monday to Thursday from 12-3. The sessions will be sponsored by SAACS/GSE. We are hoping to also put the PIE-IN-THE-FACE Contest money in SC 401 while the tutors are there to prevent theft. Tutors can be paid for their time.
 (Please see Dr. Walters for details)

5) Fundraising Ideas?

There are multiple ideas for fundraising. Those include some of the following. We hope to do individual fundraising for SAACS benefit and also for other individuals
 (Previous/Current students with Cancer)

- Bake Sale, 3k or 5k Walk/Run, T-shirts, PIE-IN-THE-FACE, Test Tube Spice Holders, Final Exam Guides for Gen. Chem., Goggles

6) SAACS Activities

There are a few ideas out there that a few of us would like to attempt to do. It's important to note that attending as many events as possible is encouraged, and that said, funding for the ACS trip may be decided based on attendance (registration fees). Here is a list of events that have been thrown around:

-Tri-Beta Collaboration (Corn hole Tourney), Ice Skating, Mini-golf, Halloween party, Halloween Trip to Fear Fest, Homecoming 2006, ACS Trip (Spring 2006 in Hotlanta), National Chemistry Week Events (6 Activities scheduled thus far), Red River Gorge Hike, Movie Night, etc.

7) Ideas for 11.2.05 Meeting?

We are looking for an alternative meeting idea for this date. Maybe something fun, not necessarily a seminar talk. Anyone have any ideas?

8) All Meetings/Seminars will be in SC 305

9) Officer Meeting Times

We are looking for an alternate time for Officer Meetings. The early favorite seems to be Thursday mornings. Please email Dr. Walters with your preference.

10) Sign-ups

So the overall idea for this meeting was to get sign-up times for the following dates:

- 1.) Goggle Sales
- 2.) Fresh Fusion
- 3.) Student Organization Rally
